Subject: [EXT] Update from TTT :)

Hi Becky,
Happy Friday. I was planning to be in our Don Gaspar office today, but you may have heard me earlier in the week with a slight cough starting…it turned into a full blown head and chest virus/cold…I've got it under control but I can't imagine anyone in the 300 suite wants my germs!!! I am on the mend!!

SO, I have attached an update for you, kind of a mid-month look at where we are. We are moving right along,

- I do want to begin to focus on how to best reach out and support our Native American Schools, as a start I will be visiting with Michael Thompson at San Juan as a strong partner.
- Further work will be done with workforce centers, although we usually support non-certified veterans with contacts for non-certified school district openings.
- I will be meeting with the first of a long list of school districts that are interested as a result of the NMSPA conference beginning early next week.
- Thursday the 21st I will be headed up to CO, I'll be meeting with our team in Denver at

Educator Talent as well as our TTT team in the Springs. I will be participating in a training seminar for veterans in Colorado Springs the 25th and will be able to incorporate that into what we are doing in NM as we develop our Pipeline cohorts of veterans in regions around the state. I'll be back in NM the 26th. I will have a fresh supply of all our TTT goodies for the upcoming fairs etc. Of course I will be available by email and phone and will continue to advise and work with all our objectives as well as the new folks that have reached out in the last few weeks.

Best,
